

ROTAX INDIA

AVIATION EVENT 2026

Ballroom, Roseate House, Aerocity, New Delhi | 6 October 2026 | 2:30 PM Onwards

ABOUT THIS EVENT

India's civil aviation sector stands at a pivotal moment. As the country's flight training infrastructure expands and regional connectivity deepens, the demand for light aircraft, dependable aero engines, and a robust maintenance ecosystem has never been more urgent. The **Rotax India Aviation Event 2026** is the first dedicated, high-level industry gathering to address this opportunity head-on.

Organised by **Flemonte Aviation** in association with **Rotax** and **CFS Aero Global**, this exclusive event brings together global aircraft OEMs, flight training organisations, government bodies, and key industry stakeholders for a structured dialogue on the future of light aviation in India — featuring OEM presentations, a high-level panel discussion, a government address, and a networking dinner.

■ Government Address

Direct engagement with the Minister of Civil Aviation & senior DGCA officials

■ Panel Discussion

FTO growth, regional connectivity, safety regulation & the future of light aviation

■ OEM Presentations

Dedicated slots for Rotax and global aircraft manufacturers

■ Networking Dinner

Evening reception with India's aviation decision-makers, OEMs & operators
